**BIBLE STUDY**

***CHAPTER FOURTEEN***

To what themes does Luke refer to in this chapter?

How does Jesus justify healing on the Sabbath?

What does Jesus propose are the requirements for "eating bread in the kingdom of God"?

Why does Jesus use the term "hate" in verse 26? Does this use contradict Jesus' other sayings such as "love thy neighbor"?

Jesus states His followers should "count the cost"? What does this mean for us today?
