***CHAPTER EIGHTEEN***

Why should we be persistent in prayer?

What is “wrong” with the Pharisee’s prayer? Why is the publican’s prayer accepted?

What does it mean to “receive the kingdom of God as a little child”?

Is it required for all men to “sell all that [they have] and distribute to the poor” to have “treasure in heaven”? What is Christ revealing to the listeners and the ruler?

How are the disciples reactions to Christ in this chapter similar or different to the others mentioned? (i.e. the ruler, the blind man, etc.)
